

Ambu® aView™ 2 Advance Spare Part Kits

Battery kit

Fan kit

VDI kit

To extend the lifetime of your aView 2 Advance monitor, Ambu has made a range of spare-part kits available to your hospital. The kits come with a comprehensive manual, which provides step-by-step illustrations that guide your biomedical engineers through the process of replacing parts as needed. In this way, you can ensure that the monitor is ready for procedures -- without driving up hospitals' costs.
